just around the corridor from that occupied by Mr. MacNaught.

While talking with The Guardian's correspondent in the building today, Mr. Matheson was greeted by Public Works Minister Robert Winters. Shaking hands with the towering member for Queen's, Mr. Winters said "Well, hello Tiny, it's great to see you here." Mr. Matheson's friendship with Mr. Winters, which dates back to Mount Allison University days, augurs well for an early start on the federal building planned for Charlottetown.

J. Angus MacLean, who can now claim the title of senior member for Queen's has changed both his office and his former office mate. Last parliament, Mr. MacLean roomed with "Howie" Meeker, forward line star of the Toronto Maple Leafs and at that time, member for Waterloo South. Mr. Meeker retired from active politics to permit himself time for business.

Mr. MacLean is now located near the front of the Parliament Buildings and shares an office with T. M. Bell, Conservative member for Saint John, Albert, N. B., who defeated Dan Riley at the August election.

With their usual modesty, none of the Island members made public any plan or program they might have in mind for the forthcoming session. What they would do and what part they will take in the proceedings which began today, are dependent, they said, on the contents of the Throne Speech.

wishes of my friends.

"In the after-light I regret that I did not adopt the new president's suggestion. I had never met him and I feel that there were many points on which personal talks would have been of the greatest value, especially if they had been spread over several days and not hurried or formalized.

Churchill Surprised

"It seemed to me extraordinary, especially during the last few months, that Roosevelt had not made his deputy and potential successor thoroughly acquainted with the whole story and brought him into the decisions which were being taken.

"How could Mr. Truman know and weigh the issues at stake at this climax of the war? Everything that we have learnt about him since shows him to be a resolute and fearless man, capable of taking the greatest decision. In these early months his position was one of extreme difficulty, and did not enable him to bring his outstanding qualities fully into action."

Eastern Presbytery Y.P.U. Rally Held At Orwell

At the Eastern Presbytery Y. P. U. Rally held at Orwell United Church on Wednesday, November 11th, the members of that Presbytery went on record as placing themselves unanimously against the introduction of commercial sports on the Lord's Day, and as being above reproach in attendance of such sports on the Sabbath.

Resolutions were also passed:

(1) Supporting all forms of temperance education and legislation pertaining thereto.

(2) That this coming year be a year of special interest in Bible reading and study and that each local union have such Bible study periods.

(3) That the members of this organization place themselves as being opposed to any form of gambling that is detrimental to character building.

(4) That all members in this Presbytery go on record as being guided by our conscience in regard to all competitive or noisy sports on the Lord's Day and that each Union discuss this resolution further and the findings brought in at the spring rally.

Afternoon Session

The afternoon session of this rally opened with a worship service led by Mt. Stewart Y. P. U. with Dorothy Coffin and Glendon Jay presiding.

A very cordial welcome was extended by Mrs. Harold Enman of Orwell-Vernon Y. P. U., which was responded to by Wilma Wood of Charlottetown.

The business period followed with the president, Mary Morrison of Charlottetown, presiding. Roll call was answered by 94 members representing 11 Unions. A discussion followed on membership fees, after which a motion was passed that the Presbytery allocation of $60.00 be allocated to each Union on the basis of membership and any amount received from a Union over and above their allocation be turned over to the Missions project and credited to the Union from which it came.

An appeal for Christian workers for the Youth Caravan was strongly made by Anna Matheson of Charlottetown and any young people who are interested were urged to contact Rev. Elton Davidge of Sackville.

A discussion on a Missions project for the Presbytery was then brought up and it was suggested by Rev. John MacKay of Vernon, that the organization undertake to sponsor a student on the missions field. A motion was then passed that Rev. Mr. MacKay look into this project.

The resolutions committee then appointed comprised Rev. W. N. Byers, Mt. Stewart; Anna Matheson, Charlottetown, and Gordon MacPherson, Valleyfield.

The group then adjourned to the Women's Institute Hall where an interesting demonstration of Bible baseball was given by the members of Pownal Y. P. U. Passages to be studied for Bible baseball this year are to be Luke, Acts and Psalms 1 to 75.

A very delicious lunch was served by the members of Orwell-Vernon Y. P. U., after which a very enjoyable recreation period was led by Bill MacKinnon and David MacDonald of Charlottetown.

Evening Session

The evening session opened with a worship service conducted by Valleyfield Y. P. U. with Jean MacKenzie, Arthur Matheson and Gordon MacPherson presiding. The theme was "Sacrifice". A duet, "I Gave My Life For Thee", was rendered by Mrs. W. A. Bruce and Arthur Matheson.

The concluding business was then discussed. Roll call was answered by 121 members, representing 12 unions. The report of the resolutions committee was brought in, covering twelve resolutions, some of which have been already mentioned.

Rev. John MacKay then introduced the guest speaker, Rev. Donald Sharpe of Souris. Mr. Sharpe took for his theme "Stewardship". He stated that "we who find in Christ an answer to our life's needs, must show our witness by standing for Him and living for Him day by day. Are we all willing to use the latent or talents we have been given and will we accept the challenge that comes from Christ? There is great need for church workers, and are we going to give our lives to Him for His service."

Rev. Mr. Sharpe was then thanked by Rev. W. N. Byers of Mt. Stewart.

The rally closed by singing "Work For The Night Is Coming", after which Rev. John MacKay pronounced the benediction.
