

# YOU KNOW ITS

you kiss your car good-night and lock your wife in the garage

the couch you've been sleeping on turns out to be the curb at a bus stop

## They Shrink.

Howick pants are pure cotton. They'll shrink a little in the wash. But when you put them back on, the seat will stretch back into shape. Your shape. Howicks mould to the curves of your body.

Some larger companies use polyester, a plastic-based fibre that costs less than cotton.

Saving pennies a pair with polyester does a lot for their annual reports.

Howick, on the other hand, is a Canadian-owned company still small enough to care about fit. And we're a success. We learned long ago that we do more for our bottom line by doing more for yours.

that wall you've been leaning on all night out to be the floor
