RAMBLER DOESN'T CORRODE...

make cars that fight rust a lot longer? RAMBLER DOES (the exclusive Deep-Dip process with 7 times more galvanized steel on critical areas makes Rambler the world's most completely rust-proofed car.)

make brakes that won't fail even with a broken hydraulic line? RAMBLER DOES (Double-Safety brakes have front and rear systems that operate independently. If one set is damaged the other continues to operate. Self-adjusting, too.)

make mufflers that won't corrode or rust out? RAMBLER DOES (the exclusive Ceramic-Alumog muffer and tailpipe are guaranteed to last as long as the original buyer owns his Rambler.)

make the lowest priced Canadian-built car? RAMBLER DOES (it's the Rambler American... and it not only is the lowest priced but also the most economical to operate and maintain. The American comes with a high performance Sky-Cylinder engine, too.)

make doors that close solid, straight and true? RAMBLER DOES (Uniside, the newest development of Single-Unit construction, replaces scores of small parts with a single piece stamped out of a sheet of steel. Gives you greater strength, more perfect door fit.)

make seats as comfortable as a reclining lounge chair? RAMBLER DOES (chair-height seats, firmly coil sprung, adjustable individually. They convert instantly into a nap couch. Headrests are also available.)

make a car that gives top performance and economy? RAMBLER DOES (with one of the best weight-to-horsepower ratios in the industry you get the best performance in either a six or V8 engine with exceptional economy.)

make it really easy to get in and out of? RAMBLER DOES (Uniside construction makes possible the widest and highest door openings. Try getting in and out of a Rambler soon at your nearest Dealer.)

Anything else you've ever wanted in a car? Look over the beautiful new Ramblers. Have a talk with your Rambler Dealer. He'll be happy to answer any other questions you have about cars.
