

Saints Win Opener In College Rugby League

The Saint Dunstan's University football team got way to a winning start in the four team Maritime Intercollegiate Rugby League by edging Acadia University 6-5 on the U. field Saturday afternoon. The Saints forced their way from behind after the Axemen had scored a "Chinese Try" 39 seconds after referee Earl Nicholson blew the opening whistle. Acadia made good on the convert to jump into a 5-0 lead.

A. J. MacAdam's charges cut three points out of the lead 21 minutes later as Co-Captain Lloyd Gaudet hit paydirt to climax a 5-0 half-line play.

Early in the second half Johnny Kelly, playing his first game on the varsity squad plunged across the line from a five yard scrum, to score the winning try.

A high wind whipped the players unmercifully and made accurate passing and kicking difficult. As a result there were numerous bobbles, knock-ons and stray passes as the weatherman outguessed the hall players.

Halfback Hilton Harvey scooped

the ball off the ground on the Saint five yard line to score the visitors lone try. Don MacLean kicked the ball deep into the Saints territory on the opening kick-off to catch an S. D. U. winger napping and get a scrum on the Saints 20 yard line.

The Saints got the ball from the scrum but Acadia gained possession on a faulty S. D. U. passing play.

FORD BRILLIANT

Bunny Ford, the brilliant Acadia flying quarter zig-zagged his way to the Saints five before passing towards Harvey. Harvey took the ball off the ground and plunged over.

Bob Wentzel booted the pigskin through the bars to put the Axemen ahead 5-0.

The Saints went on the offensive and remained in Acadia territory for most of the half. Paul Jay raced across the Axemen's line but the try was ruled out when he stepped outside the line on his run down the side.

Forward Lewis MacDonald made the effort possible, when he hauled down an Acadia runner with a good tackle on the visitors ten yard line.

A few minutes later time was called when backfielder Gus Dorais of the Saints dislocated a finger. Despite the injury Dorais remained in the game and proved a key figure in the Saints win.

Lloyd Gaudet, a going concern all afternoon, made the first long run of the game when he galloped 35 yards into Acadia territory around the 14 minute mark.

SAINTS SCORE

Seven minutes later Gaudet scored the Saints first try. The Saints got the ball from a scrum on the Acadia 25 yard line. Kelly passed to Dorais who set up Jay on a pretty pass and Jay relayed the ball to the speeding Gaudet for the best looking effort of the afternoon.

The attempt at the convert failed. A good running, kicking play by Jack Reardon, was the feature play of the final 14 minutes in the half. Reardon received a number of Acadia tacklers and booted the ball down the line for a 35 yard gain.

The second half was only two minutes and thirty seven seconds old when Kelly scored the third and last try of the game. There was a scrum on the Axemen's five. The Saints got the ball and Kelly outguessed the visitors as he rounded the scrum and raced over the line.

Acadia put forth a determined effort for the remainder of the game. They came up with a good half-line run around the four minute mark as they switched to a running game. A few minutes later Kent Atkins, Acadia fullback, kicked deep into Saints territory to put the ball on the S. D. U. five yard line.

The Saints defenses held and

KEEN ENTHUSIASM MARKS OPENING OF HUNTING SEASON ON SATURDAY

Flickering outbursts of gunfire ranged the island at peep of dawn on Saturday, morning as hundreds of gunners opened the 1954 hunting season. From every vantage point along the Provincial coast line the intermittent barrage peppered away at ducks and geese.

From meagre reports trickling back to Charlottetown the marksmen appear to have had very fair luck.

His Honor Lieutenant Governor Prowse was among the hunters who turned out in the early morning. Accompanied by Stewart Ross of Belle River, His Honor had a very good day in and around that well-known stream. The party bagged a good quota of ducks.

A very successful foursome, which included Dr. L. E. Frowae, Dr. Roy Grant, the latter's son Kenneth, and Russel Crockett, hid their hunting in Prince County and each got his limit, for a combined total of thirty-two ducks.

A duo of well known brothers, Bruce and Lloyd Wonnacott did equally as well winding up the early morning shooting with the limit of sixteen, and later knocking over two cock pheasants.

Another experienced shot, Frank Carboneal totalled his kill at six ducks and one goose before calling it a day.

There are the usual stories of younger and less experienced gunners blasting away at birds out of range, and spilling the day for more canny gunners.

Probably the biggest proportion of Charlottetown gunners headed East, and by 3 a.m. the headlights of hundreds of cars lighted the St. Peters-Souris highway. As the procession travelled east it thinned out in numbers as cars turned off towards the coast at Covehead, Blooming Point, Morell, Savage Harbor and every duck haunt known to hunters.

Some few continued on to Rollo Bay, Fortune, South Lake, North Lake, East Lake and the farther points in Kings County.

George Cheverle of Charlottetown was one of many gunners who opened the day in Kings County. He had five ducks after some early dawn shooting at Rollo Bay and later at South Lake.

Many hunters remained at their favorite haunts over the week-end, to continue the hunt on Thanksgiving Day. The full story on opening day will not be known until these week-end parties return home.

Some of the gunners confined their efforts to upland game on Thanksgiving Day and "Bill" Phillips of Charlottetown knocked six Hungarian partridge out of the

Hints for the WELD-DRESSED Man

LATEST RESEARCH and newest techniques in aluminum welding are passed on to Canadian industry in clinics conducted by Aluminum Laboratories Limited, in Kingston. Plant engineers, managers, foremen and welders attend lectures and demonstrations by Alcan's research specialists.

We mention it here to show how closely the companies that use aluminum and the company that supplies it work together. More than a thousand manufacturers turn Canadian aluminum into everything from aircraft to hairpins. And they know that in exploring new uses or improving old ones they can always call on Alcan to help them find the answers. Aluminum Company of Canada, Ltd. (Alcan).

they forged back to mid-field but Acadia came right back as MacLean blocked Reardon's kick on the Saints 20.

Ronnie Nicholson, a Charlottetown native, came up with a good running, passing play for Acadia around the 15 minute mark but could not cross the S. D. U. line.

Two 30 yard runs by Rodney MacInnis highlighted the last half. The Saints backfield passed the ball across the field to set up MacInnis for his first run. Kelly passed to Dorais who relayed to Gaudet and he in turn passed to Bob Mooney who fed MacInnis.

Mooney, Kelly, Dorais and Kelly figured in the other MacInnis run. Gaudet and Paul Jay broke loose in their own territory for a long run into the Acadia zone but Bob Wetzel made a brilliant tackle from behind to bring down Gaudet and stop the play. Wetzel was injured on the play but remained in the game.

The linesmen assisting referee Earl Nicholson were Bill Ledwell and Joe Coyne.

Lineups: S. D. U. — Fullback, Jack Reardon; half-line, Bob Mooney, Lloyd Gaudet, Paul Jay, Rodney MacInnis; flying quarter—Gus Dorais; picking quarter—John Kelly; forwards—Acquinas Ryan, Arnold Mullins, Tom MacGough, Lewis MacDonald, Dick Wedge; subs—Frank Slowey, Kimbal Jay, Willard MacCarron, Wilfred Gillis.

Acadia — Fullback, Kent Atkins; half-line, Nick Oldale, Ronnie Nicholson, Hilton Harvey, Tom Miles; flying quarter — Bun Ford; picking quarter — Dunc Joulie; forwards, Jack Douglas, Don MacLean, Scotty Weeks, Mike Nowlan, Joe Hoyt, Bob Wentzel; subs — Claude MacLaughlin, Ron Parker.

Resilient Wins Richest Race

TORONTO (CP)—A crowd of 10,000 saw the American-owned Resilient win the 17th running Monday of Canada's richest race—the \$23,072 Canadian championship—in a neck and neck finish with Canada's King Maple.

The winner, owned by the Killian Farms, edged out the Canadian horse by a nose and paid \$11.90 to win. King Maple, owned by the McMackon Stables of Toronto, set the pace most of the way over the mile-and-an-eighth track. Marked Game finished third.

Gross value of the purse was \$30,300. Resilient paid \$11.90, 7.30 and 5.10. King Maple paid \$11.70 and 5.70. Marked Game paid \$4.40.

VOLKSWAGEN comes to Charlottetown

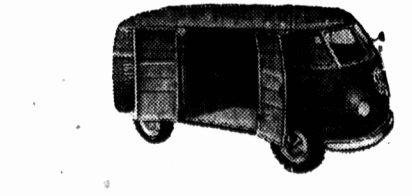

COMPLETE PARTS SERVICE

Volkswagen is firmly established across Canada with distributors and dealers in every province from Newfoundland to British Columbia. With over a million dollars in spare parts and equipment, and a well-trained service personnel, you are assured of fast, reliable service should the occasion arise.

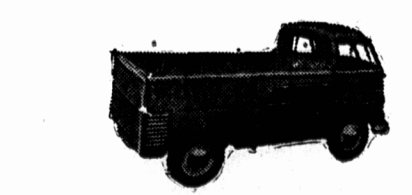

Come in—test drive this amazing air-cooled, rear-engine car!

Now you can see, drive, own the sensational car that outsells all others in Europe... internationally acclaimed for its amazing stamina, performance and economy. Here is the ideal Canadian car—the superb, rear-mounted, air-cooled engine can't overheat, boil or freeze... requires no water or anti-freeze... assures outstanding power and greater traction under all road and weather conditions. Here is a car that handles like a dream in densest traffic... hugs the road at any speed! Fourth-gear over-drive gives longer life, less wear... curb-line vision gives greater safety. Fast pickup unequalled by any light car... 40 miles-to-the-gallon economy. And inside and out, Volkswagen's sleek, continental styling is modern as tomorrow!

VOLKSWAGEN 3/4 TON DELIVERY VAN

The ultimate in an economical, easy-to-manuever delivery truck... 30 miles to the gallon. Low-level "walk-in" doors speed deliveries. 162 cu. ft. useable space, 1672 lbs. pay load.

VOLKSWAGEN PICK-UP

Here's a truck that does a big job! Tailboard and sides drop singly or simultaneously, assure fast loading to 45 square feet of FLAT loading space. Theft-proof extra compartment. Tarp top available.

VOLKSWAGEN BUS

Here is the ideal, economy way to transport 8 adults and baggage, or "many-more" children. The engine in rear allows remarkable close-in visibility making Volkswagen SAFER. Ideal for school bus.
