CLOSELY related to the Race Cry raised by Mr. Tarte, is the Sectional Cry raised by Mr. Pacaud. Mr. Pacaud now demands that the Intercolonial Railway management shall be divided, the Quebec portion of the road to be controlled by a Quebec friend of the dominant party. Dear Sirs,—I was for seven years a sufferer from Bronchial trouble, and would be so hoarse at times that I could scarcely speak above a whisper. I got no relief from anything till I tried your MINARD'S HONEY BALSAM. Two bottles gave relief and six bottles made a complete cure. I would heartily recommend it to any one suffering from throat or lung trouble.

A grain of sand in the eye can cause excruciating agony. A grain of pepper in place of the grain of sand intensifies the torment. The pain is not confined to the organs affected. The whole body feels the shock of that little irritating particle. It is so when there is any derangement or disorder of the delicate womanly organs. The disorder may seem trivial but the whole body feels it. The nervous system is disordered. There are fretfulness, irritability, sullenness, and depression of spirits. The general health of women depends on the local health of the organs peculiarly feminine. Remove the drains, ulcerations, bearing down pains, and other afflictions of woman, and the whole body feels the benefit. Dr. Pierce's Favorite Prescription is a specific for the diseases that undermine the strength of women. It is free from opium, cocaine and other narcotics, poisons which enter into many other preparations for woman's use. It makes women strong and sick women well.
