SOME QUESTIONS.

SIR,—Our smoking club would be pleased to receive information on the following points: (1) Has the Local Government any excuse to offer for the \$625,000 debt piled by them, besides the old chestnuts, viz: \$200,000 withdrawn from capital and \$10,000 paid for revising the laws seventeen or eighteen years ago by Conservative Governments? (2) Is it not a fact that all the Liberal Legislative Councillors voted for the withdrawal of the money from capital? (3) Did not the Liberal party promise at every election since that they would make revenue and expenditure meet? (4) How much of the \$120,000 deficit of 1893 was spent in boodling? (5) Is it true that Government candidates and others are allowed to unlawfully traffic in road orders at election time? (6) How much over \$10,000 did Premier Farquharson receive from the Dominion Government for the use of the tug "A. T. Stewart"? (7) Was it not contrary to the independence of Parliament Act for Mr. Farquharson to accept \$500 for his services as acting Premier when Mr. Peters was at Behring Sea arbitration? (8) Did Premier Farquharson have anything to do with the "scow"? (9) How much did he receive from the Dominion under Peters' arbitration scheme of 1897? (10) How many Liberal paymages have been made to Ottawa since 1891, and what was the total cost? (11) What amount, in your opinion, will Premier Farquharson say on his return from Ottawa, were we to get from him to pay off the debt? (12) Do you think he can say this time that the matter will be submitted to arbitration at once as he did at bye-elections in 1899? (13) Do you think he was received "with a sunny smile"? (we have a bet on this question.) (14) What will Laurier say to Davies about the P. E. I. contingent to Ottawa, 1 Captain, 1 Private? Will he smile?
WARD FOUR EAST.

THE Party does not seem to have "no case" for the present Government.

30,000 CIGARETTES

In the past year Dr. R. V. Pierce has given a copy of his great work, The People's Common Sense Medical Adviser, at an expense to him of \$25,000.00 exclusive of postage. The treatise, containing 1068 pages and more than 700 illustrations. It treats of the greatest and gravest problems of human life in simple English, from a common sense point of view. It answers those questions of sex which linger unspoken upon the lips of youth and maiden. It is essentially a family book, and its advice in a moment of sudden illness or accident may be the means of saving a valuable life. This great work is sent free of receipt of stamps to defray the cost of mailing and customs. Send 31 one-cent stamps for the book in paper binding, or 50 stamps for cloth covers. Dr. R. V. Pierce, Buffalo, N. Y.

C. C. RICHARDS & CO.

Dear Sirs,—A few days ago I was taken ill with a severe pain and contraction of the cords of my leg, and had to be taken home in a rig. I could not sleep for the pain, and was unable to put my foot to the floor. A friend told me of your MINARD'S LINIMENT, and one hour from the first application, I was able to walk, and the pain entirely disappeared.

You can use my name as freely as you like, as I consider it the best remedy I have ever used.
