

IN THIS UNIQUELY-styled bungalow, J. de Kerekesz, Montreal architect, has created an unusual feature in the design of the carport which is approached by a semi-circular driveway in front of the house. The path is recessed between the sleeping and living areas and forms a quiet outlook. The living-dining room and principal windows face the courtyard to which there is easy access from a spacious hall. Ample space exists in the kitchen for eating. Utility, heating and storage space are provided for in the basement and also a playroom. The entrance of this house shows a face north.

The floor area is 1,272 square feet and the exterior dimensions are 48 feet, eight inches by 33 feet, seven inches with the carport projecting another 12 feet. Working drawings for this house, known as Design 2310, may be obtained from Central Mortgage and Housing Corporation, Ottawa.

Wood Exterior Finish Seen As Old Favorite For Homes

Wood siding, long one of the favorite exterior cladding materials for houses, is manufactured in a variety of widths and shapes and the choice is largely a matter of personal preference. Siding also can be bought in various lengths. With longer siding there are fewer joints and this tends to improve the appearance of the house.

It is important that only dry stock be used for wood siding. If it is not used on delivery it should be stored in a dry place. Careful storing will also keep the siding from getting soiled.

Siding should be nailed in the framing through the sheathing, using lumber sheathing in wall or houses, is manufactured in a variety of widths and shapes and the choice is largely a matter of personal preference. Siding also can be bought in various lengths. With longer siding there are fewer joints and this tends to improve the appearance of the house.

After the siding on wood siding should not be left exposed to the weather too long before the first coat of paint or other preservative is applied, especially in warm, dry weather. Wood joints should be treated with a preservative when they absorb moisture from the air. On the other hand, dry joints when they dry lose their moisture and shrink, which causes the siding to crack and warp. Some species, such as cedar, will stand up better than others, but in any event the protective coating should be applied as soon as possible.

Plywood is another popular material used for exterior cladding and if it is properly maintained it should be as serviceable as other types of exterior finish. A builder will first make sure that he is getting exterior plywood — plywood designed specially for exterior use. When the panels have been trimmed to size the edges must be treated against moisture. Lead paint, or some other recommended sealer, can be used for this purpose.

PARF FIRST COAT

Wood joints should be treated with a preservative when they absorb moisture from the air. On the other hand, dry joints when they dry lose their moisture and shrink, which causes the siding to crack and warp. Some species, such as cedar, will stand up better than others, but in any event the protective coating should be applied as soon as possible.

6th Series Game Set to Go Today

SAN FRANCISCO (AP)—The rain finally shows brightly Sunday after three days of rain but the foggy condition of Candlestick Park's outfield forced a postponement of the sixth game of this winter's World Series.

There was every indication that they would be able to re-start play today if the weather cleared of "fog and warm" winds. The usual Candlestick Park winds were helping to dry up the outfield.

Commissioner Ford Frick said on Sunday that the game may be in the morning after conflicting with Horace Stoneham, owner of San Francisco Giants, who has two senior players.

"We cannot go today, despite the fact that Frick said 'There is water in the outfield and it is impossible to cut the grass this morning. The groundskeeper and his men will work on the grass today and we will have a game tomorrow.'"

FIELD PROTECTED
The infield was in good condition because it had been covered by a tarpaulin all through the rain of San Francisco, such as the game.

Both ball clubs were likely to get back into action after rain this Wednesday when New York Yankees took a 3-2 edge over the Giants. The Yanks remained 6-5 favorites in the sixth game, a 3-1 to 1 in the series.

Whitely Ford remained Yankee manager. Ralph Houk is starting choice.

Billy Pierce, another veteran southpaw, remained Giant manager. Alvin Dark's pitcher for the sixth game.

Milltown Beats Eagles For Title

BRIDGETOWN — Milltown, N.B., won the N.B.P.F. Inter-Milltown "B" championship yesterday when they defeated the Georgetown Eagles in a sudden death game held at a wet stadium.

"The game was played in cool weather with intermissions on several showers."

Despite the weather conditions the game was well played and enjoyed by an unusually large crowd. The winners scored a run in the first innings and two in the second. Maxwell, Milltown pitcher, scored the first run for his team and was on second base when he hit a slazing ground ball to right field in the sixth inning. The score was 2-0 in favor of Maxwell ahead of him.

Georgetown's three hits were singles by Barry and Edmond, and a double by Fitzgerald and John Welch.

On the mound Maxwell was pitched for Milltown, allowing no runs, three hits, struck

Lopsided Grid Scores

Looking over the lopsided scores in the Maritime Atlantic Football Conference on Saturday, one would imagine that unusual features in the game were the fans sitting on the edges of their seats because of the thrilling, suspenseful action of the gridiron. It's quite natural and understandable that these college boys in the Maritimes do not play the exciting football you see in the NFL. Yet, if you get every football team, resulting in close scores, with the outcome in more or less doubt till, at the best, the third quarter, it helps a lot to bridge the gap between our college football and that of the professionals.

Then, again, many of the boys are local products which helps to make for a more equalizer in the neves-day spirit of those "rah-rah" boys and girls who can sing out those songs of victory over when defeat is a roaring giant that is a check-out of the smallest strands of hope.

We watched St. F.X. clobber Dalhousie in the most melodious tune of 33-0 and it was a pleasant relief when the station visited to "Bugs Bunny." Throwing all the colleges into one ring will not make for more interest in college football unless something is done to strengthen materially the Class "B" organizations.

ISHL Could Take Lesson

The hockey moguls of the ISHL could take a lesson from the wholesale massacre that is occurring in the Atlantic Coast Hockey League. It's more like a soliloquy what to do? Well, you can't take college games and get away with it. The minute that follow "The Realist" calls Mr. Gus Fan the idea that hockey game is not on the up and up, he's through.

Honest effort is one of the main ingredients when you are cooking up fan interest that will get the hockey game peering at the ticket office windows. Wrestling is the only game that fans will attend even when they only see it on the TV screen. It's money, maybe this is half the reason why hockey is a sport. It's a side-show, half Tarzan and half slap-stick comedy.

But there should be things which would be done to make your teams more evenly matched between the seasons. Even the NHL has certain regulations, giving teams that finished lower in the standing the previous year extra privileges in the hockey auction which takes place between seasons.

Last year the ISHL turned into a runaway race that did not encourage the attendance fan crowds. The two features that kept the season from being more of a dismal flop than it turned out to be were the fact that the Royals were slow starters and did not get a straight-hull till most mid-season, and the surprising surge of the Cape Traverse Islanders which came a little late to make much difference in the total take of the box office.

Hope For Opposite

Let us all fervently hope that no power-packed team will again erupt thrilling competition in the Atlantic Coast Hockey League, reducing fans who love their hockey when it is dished up to them in an attractive form, to staying home and watching the Best of Tommy Ambrose.

Stamps Shade Bombers 19-15

By THE CANADIAN PRESS
With a tremendous fourth quarter drive, Calgary Stampede blasted their way to first place in the Western Football Conference Saturday, defeating Montreal 19-15. The Bombers, led by champion Winnipeg Blue Bombers 15-10 in Winnipeg.

Edmonton Eskimos, with Jackie Parker back at the helm, defeated Regina 27-7 over British Columbia Lions in Vancouver.

The results left Calgary in first place with a one point lead over the Bombers, Winnipeg has two games in hand over Calgary.

In Winnipeg, touchdowns were in the schedule, trail Saskatchewan by four points. The Lions, with three games remaining are three behind Saskatchewan, in the race for the third and final playoff spot.

TRAILED AT HALP
15,000 fans in Winnipeg Stadium saw Calgary drop behind 7-4 in the first quarter and trail 14-7 at the half. Winnipeg picked up a third quarter single and the Stampede's roar of Hal Pascoe's Bobby Walden scored the final quarter to walk away with the game. Lions got their only touchdown on a third-quarter pass by quarterback Joe Kopp to halfback Tom Larchfield. George Grant converted.

St. Mary's Huskies Crush Striped-Ridged Saints 35-0

St. Mary's University Huskies, one of the top teams in the Atlantic Football "A" Conference, ran true to form Saturday as they overpowered and thoroughly crushed St. Dunstan's University Saints 35-0.

It was the fourth win in five starts for the Huskies, coached by former Shearwater Star Bob Hayes. Ed Hillon's Saints have lost three and tied one in four starts.

The Huskies, with a gale of points in the opening quarter, took full advantage of it and opened up a 14-0 lead on two touchdowns, a convert, and a single. The Saints, playing without Frank and Jim Gardner's key linebacker, and backfielders Bob Simmonds and Graham Coak, stifled in the second quarter and came close to hitting the crossbar while holding St. Mary's scoreless.

They fell first a strike-off major in the third quarter to lead 20-0, and they hit for two more converts and a rouse in the final period to make it 35-0.

The game was played in a driving rain and a strong north west wind that made passing and punting difficult. St. Mary's converted on their ground game and found plenty of running room in the weakened St. Dunstan's defense.

They rushed for a total of 323 yards, with Cloutier leading the way with 168 yards in 21 lugs for an 8.0 average. In this department, Hillon and Hillon was forced to go to the air, in spite of the adverse elements. In the department, the local Saints had an edge with Ross Philip. For Ripley and West MacAlroy, who turned in three of eight passes for 49.

The St. Dunstan defence, led by Don DesRoches, who turned in his usual fine game, threw the Huskies for losses on three occasions in the second quarter. Saints moved into SMU late in the game when Ripley hit end Dick Tingley with a 15-yard pass to the SMU 45. The Saints then ran for Mike O'Brien for 18 yards to the 27-yard line, and Ripley found DesRoches uncovered with a short pass on the SMU 18.

Beneficial to the Saints and punted well for the Saints, picked up the first down on the SMU 17 with time running out in the half, and it looked as if they were about to tie the game. On first down, Ripley's pass for DesRoches went incomplete, and on the next play, Ripley tossed one to Mike O'Brien in the end zone. Mike had the range on it, but Cloutier batted it down at the last second, and the scoring bid fizzled.

DesRoches recovered with Wes MacAlroy's pass for product and perhaps the only one-keeper ever quarterbacked an SDSU varsity team, moved the Saints deep into SMU territory late in the fourth quarter when he completed two passes to O'Brien for 10 on a pickoff, but the visitors held firm on their own 20-yard stripe.

Two pass interceptions locked the local team in the last quarter, one passes by MacAlroy and Ripley. Ray Loisel picked off a Pilecy pass on the St. Dunstan 10 on a pickoff, but the visitors held firm on their own 20-yard stripe.

The local Saints play their next game next Saturday against Acadia Acremen.

GAME STATISTICS:

College Grid Teams Dismaying upset

NEW YORK (AP)—Miami of Ohio and West Virginia are the newest of U.S. college football's top-notch killers.

Mighty Ohio State is on the rampage again and Army, under a new coach, is bidding to reclaim its glory of the mid-1940s.

It was this quartet of teams which created the biggest upset in the season, a rout of one top-try Saturday and built toward the halfway mark.

Miami, a member of the Mid-American Conference, which dares tackle the heavyweights of the Big Ten, pulled off one of the biggest football surprises in years by knocking out the 11th-ranked Michigan Huskies 41-7.

Purdue, which ranked nationally and still popping its buttons over previously unbeaten Penn State, was unprepared for the rugged defence of West Virginia and the youngsters from Oxford, Ohio, a 21-point underdog.

Army, which had three Purdue fumbles and scored 10 points in a 13-7 victory, had a pass and a conversion, all by one man—Bob Jencks.

Flashing defence play also resulted in victories for both Ohio and West Virginia over favored opponents. Army took advantage of a fourth-quarter fumble on a 15-yard scoring pass from Cammy Lewis to Dick Peterson for a 9-6 triumph over previously unbeaten Penn State, the No. 3 ranked team in the country. West Virginia smashed 91 yards in the last quarter for the touchdown that gave Pitt, an old rival, 15-9.

Army, in winning its third game in four starts under Paul Dietzel, brought back memories of the championship team's win over Georgia Tech in 1956. Instead of ground-gaining power, however, the trademark of the new Black Knights is savvy defensive play featured by tough, hard-hitting units known as the Chinese Bandits. While the 250-member cadet corps don red coolie hats and chants weird Oriental ditties, the bandits turn breaks into touchdowns.

UNBATTERED
Ohio State bounced back into the battle for national honors by smothering Michigan 41-7. Just to take some of the taint away from their 9-7 loss a week ago to the University of California at Los Angeles, Ohio State rolled up conference record of 37 yards on the ground alone.

White the Buckeyes were giving this awesome display of power in hopes of raising their ranking, now is ranked sixth among the two teams currently engaged in the fight for the No. 1 position—Alabama and Texas—both had narrow squeaks.

Top-ranked Alabama edged Houston 14-3 with Lee Roy Jordan, scoring one of the touchdowns. Texas took advantage of two Oklahoma fumbles to win 9-0. One fumble set up a 26-yard field goal by Tony Crosby and the other rolled into the end zone with Perry Williams recovering for a touchdown.

Both fourth-ranked Southern California and fifth-ranked Mississippi took the week off. Louisiana State, No. 6, whipped Miami (Fla.) 17-0 in a 17-0 victory. No. 7, barely squeezed past Oregon State 14-13 on a touchdown in the last three minutes by Charlie Mitchell. Arkansas, No. 2, beat Baylor 29-21.

SIXTH POWER
Japan, first victim of atomic power, now is ranked sixth among the world's nations in ownership of atomic reactors used in space.
