SPECIALISTS IN REFRIGERATION

ing from postage units to industrial plants along a big role in the daily working of the 20-year-old firm of Storey Electric. Elton Ducecotte, fore-

ERNE TRAINOR

ARREST IN KANSAS CITY, Mo. (AP)—Police arrested about 30 persons at the Municipal Auditorium Thursday night after a disturbance broke out at a rock n' roll dance. Six persons—being three policemen—were treated for minor injuries.

SAILORS RATIONED NEWCASTLE, England (CP)—Foreign seamen will not be allowed to drink more than four pints of beer at Mrs. Minnie Gillander's dockside pub in this Northumberland port. She says sailors, who aren't used to strong booze, "if they are drunk, are liable to have more accidents, like falling off gangplanks, and fewer fights."

20TH Anniversary Greetings

From **STOREY ELECTRIC LTD.**

To our many friends and customers who have helped make it possible for us to celebrate this, our 20th Anniversary, our administrative and departmental management staff say "Thank you" "Merci", Gaelic, Lebanese, Chinese.

Over the years we have had many growing pains.. However, as we grow in age and experience so did our staff.

Over thirty employees aim to give you faster service than you received in the past plus 24 hour service to our customers for Emergency Calls.

It is our hope that through your continued patronage our tree will grow taller and stronger in the coming years.
